Boone Trail Monument Unveiling

Middlesboro and Cumberland Gap people are looking forward to the com-ing of hundred of visitors from Kentucky and the States to the southwest to attend the unveiling of the Boone Trail monument on June 30. The monument, now being erected by the Daughters of the American Revolution, is a memorial to Daniel Boone and his work in "marking a trail into Kentucky," over which he led the first settlers into the region west of the Appalachians and planted the new commonwealth on bluegrass soil. The unveiling ceremony is to be in the nature of a celebration of the completion of the marking of Boone's trail, from the Yadkin river valley, in North Carolina, through Tennessee and Virginia, to the old fort at Boonesboro, on the Kentucky river, in Clark county, Kentucky.
